1. Players may sign up at the Poker Podium the day of the tournament, starting at 12 Noon.
2. From each buy-in, \$50 will go to the prize pool, \$12 to administration fee and \$3 to dealer appreciation.
3. Each player will receive \$4,000 in tournament chips for their buy-in.
4. This will be a Tri-Monthly Points Championship Tournament.
5. Late entries or re-entries will be allowed up until thirty minutes after the start of the tournament unless those seats have been filled. To retain equal position between players who buy-in at the start of the tournament and late entries or re-entries, empty positions will be given \$4,000 in tournament chips, dealt in and have blinds collected.
6. Each round will last twenty minutes.
7. At the first break, all green chips will be colored up. Players with any odd green chips will receive one card per chip. The player receiving the highest card, with ace being high, will receive one black tournament chip. The process will continue with the player receiving the second highest card until the value equal to all of the odd green chips are distributed in black tournament chips. However, no player may receive more than one black tournament chip during this process and no player shall be eliminated from play. At the end of level ten, the same process will be followed when coloring up from black to blue.
8. As players go out, empty seats may be filled from other tables to keep the same number of players at each table. Players will be moved from the big blind to the next open seat to get the big blind.
9. Final movement of players will result when ten players remain; they will draw for seating and redraw the button.
10. If two or more players who finish in the money go all-in during the same hand, the player with the most chips at the start of the hand will finish higher.

11. By participating in the tournament, all players agree to abide by the rules and conduct themselves in a courteous manner. Players, whether in the hand or not, may not discuss the hands until the action is complete. Players are obligated to protect the other players in the tournament at all times. Discussing cards discarded or hand possibilities are not allowed. A violator will face the following three steps:
- 1) Verbal warning
  - 2) 10-minute suspension from play
  - 3) Disqualification
- Chips from a disqualified participant will be removed from play.
12. Unless otherwise specified, Catfish Bend Casinos II, LLC standard rules of Omaha Hi/Lo will apply.
13. The Tournament Official's decisions will be final.
